## A Note From The Artist Development Team

To our cherished families, friends, and supporters,

Thank you for joining us in celebration of the incredible young artists who take the stage before you. These youth musical theatre productions are more than performances – they are the culmination of weeks of dedication, growth, and discovery through the power of arts education. We are continually inspired by the talent, resilience, and creativity of our students, and we are equally grateful to the families who support them every step of the way.

To our community sponsors and generous grantors – thank you. Your contributions make these opportunities accessible to all, helping us create a welcoming space where students can grow not just as performers, but as individuals. Your belief in the transformative power of the arts allows our mission to flourish.

As we look to the future, we are thrilled to invite you to continue the journey with us at our new studio headquarters, located just across the street. This space marks an exciting new chapter for The Premiere Playhouse, where we will host ongoing educational programs, memberships, small performances, and community events in an inclusive and accessible setting. The new studio also offers space rental opportunities, creating even more ways to gather, learn, and connect through theatre.

We invite you to explore what's ahead and to continue enriching your family's creative journey with us. Together, we're building a brighter, more imaginative future – one student, one story, and one spotlight at a time.

With gratitude,

**Alex, Abby, & Oliver**
