DIRECTOR'S NOTE

Welcome, parents, family, and friends, to The Tale of Snow White. This week has been a very fun, chaotic, and challenging experience for each one of us; however, each camper put in a lot of hard work to put on a show the cast is proud of. This show was also full of first time experiences! We have some kids making their stage debut, some kids who have lines for the first time, and for some kids it's their first experience playing a significant role. Not only will campers remember this show as a first, but I will as well. I am extremely blessed to be making my directing debut with these talented, funny, crazy, and gracious kiddos. Whether you enrolled your child in this camp, volunteered to help our production in any way, or you decided to trade \$10 for an adorable, whimsical night, thank you. Thank you for supporting the arts, your local theatre, and these bright, young kids. It was a week I will always hold close to my heart, and I hope they all will too! Please, enjoy the show!
